Re: Mr. Luis Rodriguez
M & L Custom Painting

This is a letter of recommendation for Luis Rodriguez of M&L Custom Painting. Luis and his whole team have consistently provided excellent results for us. Luis is easy to work with and a strong communicator. He is a true professional. He can consult and educate the home owner on the best paint selection for different surfaces. He is a good listener and he has a strong understanding of what will be the best solution and provide the best longevity for various painting projects. He is an exceptional painter himself and he runs a formidable painting business.

We hired M & L Custom Painting to paint the entire exterior and most of the interior of our home over six different occasions. This included prepping and painting ceilings, trim, wainscoting, windows, doors, resurfacing walls, etc. The team at M & L Custom Painting was always polite and efficient. Luis and his team provide high quality results at a great price.

I welcome your phone call for a personal reference.
